Color: **Blue**

- **Won't Light Up Itself:** The Glowing Effect will only happen under actinic lighting and we recommend blue or purple light.
- **Realistic Decoration:** The glowing effect sunflower coral ornament can dance with even the slightest movement of water which can increase visual appeal.
- **Easy To Use:** Just fix the strong suction cup base, which can easily be sucked in the smooth aquarium.
- **Safe To Aquatic Creatures:** Made of eco-friendly silicone material without harsh edges and is soft
